TOTAL	407.14	512.00	669.00	1591.14

(c) The World Bank Supervision Mission visited the Gir National Park during June 18-21, 2004 to supervise the progress of India Eco-development Project, Gir National Park.

(d) The World Bank Supervision Mission has circulated its Aide Memoire dated July 15, 2004, with the following observations— "PA management has made good use of project funding and related processes to strengthen protected area management, village eco-development, implementation of conservation education programs, visitor management, adaptive research for better understanding of issues for informed decision making and participatory impact monitoring. Forest Department is to be commended for continuous updating of good quality documentation materials for each visit of the missions including status report and special notes on topical subjects. Most of the actions agreed with the earlier mission have been accomplished". The Government of India concurs with these observations.

Integrated Disease Monitoring Project

†*253. SHRI ABU ASIM AZMI: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) the names of the States in the country where Integrated Disease Monitoring Project has been initiated and the amount Government is likely to spend to complete the said project;

†Original notice of the question was received in Hindi.

(b) whether the said project is going to be initiated in country's two biggest States, Uttar Pradesh and Bihar and if not, the reasons therefor; and

(c) the extent of the impact likely to affect the health facilities in these two States in the event of non-starting of the Project?

THE MINISTER OF HEALTH AND FAMILY WELFARE (DR. ANBUMANI RAMADOSS): (a) to (c) The Integrated Diseases Surveillance Project (IDSP) is being implemented in all the States/UTs in a phased manner as per details given below:—

Phase-I (2004-2005):—

Andhra Pradesh, Himachal Pradesh, Karnataka, Madhya Pradesh, Maharashtra, Uttaranchal, Tamil Nadu, Mizoram & Kerala.

Phase-II (2005-2006):—

Chhattisgarh, Goa, Gujarat, Haryana, Rajasthan, West Bengal, Manipur, Meghalaya, Orissa, Tripura, Chandigarh, Pondicherry, Delhi.

Phase-III (2006-2007):—

Uttar Pradesh, Bihar, Jammu & Kashmir, Jharkhand, Punjab, Arunachal Pradesh, Assam, Nagaland, Sikkim, Andaman & Nicobar Islands, Dadar & Nagar Haveli, Daman & Diu, Lakshadweep

The total project cost for the next five years in Rs. 408.36 crore.

From the above, it is clear that the project will be implemented in U.P. and Bihar from 2006-07.

It may, however, be mentioned that a pilot project "National Surveillance Programme for Communicable Diseases" (NSPCD) has been under implementation since 1997 in 101 districts of the country. The districts covered under the pilot project will now be part of IDSP Phase-I. Five districts of U.P. and 2 districts of Bihar will, therefore, get covered.
